

HP t420 Thin Client

Do more with the HP t420 Thin Client, an affordable cloud computing solution that delivers trustworthy reliability and easy deployment and use.

More bang for your buck

Get your choice of essential operating systems, support for VoIP, Microsoft Lync¹, and Unified Communications tools, and value-added integrated software from HP that helps you deploy, manage, and optimize your new systems.

Solid reliability

Plan ahead with reliable flash memory storage and a fan-less design for ultra-quiet deployments. Choose a Global Series model and custom image to help ensure worldwide consistency. Rest easy with a two-year lifecycle and three-year limited warranty.

Place it where you need it

Install throughout your business—the modern 0.88 liter form factor complements and fits into a range of compact work spaces, and the integrated VESA mount enables mounting on a flat surface, or directly behind an HP ProDisplay.²

Easy customization

Tailor your installation with the operating system of your choice—and enjoy simplified setup, deployment, and maintenance with HP Device Manager, a software tool available exclusively for HP Thin Clients.

Additional features

- Attach your HP Thin Client to the back of an HP ProDisplay, or bundle with a display and HP IWC Stand.²
- Pick the network connection technology that's best for you with Gigabit Ethernet and support for 802.11n Wi-Fi.^{3,4}
- Reduce power consumption and help lower your costs with an energy-efficient design.
- Enjoy your everyday Microsoft Lync productivity tools.¹
- Get right to work with the business-class USB keyboard and mouse.
- Select HP ThinPro for full-featured Linux or HP Smart Zero Technology for simple management.
- Let HP customize your thin clients with your choice of branding, applications, GUI, hardware compatibility, and more.⁵

HP t420 Thin Client Specifications Table

Operating System	HP ThinPro 32 HP Smart Zero Core 32
Core Processing Technology	AMD Embedded G-Series GX-209JA SOC (1 GHz, 2 cores) ¹
Storage	8 GB MLC flash memory
Graphics	Graphics integrated on processor
System Memory	2 GB DDR3L SDRAM ² (Transfer rates up to 1066 MT/s)
Networking	LAN: Integrated Gigabit Ethernet WLAN: Broadcom 802.11n 2x2 Wi-Fi Network Interface with Bluetooth® (optional)
Audio	3.5 mm stereo socket on front panel marked as a headset port. Supports OMTP and CTIA headsets. ⁴

Power	45 W, worldwide auto-sensing, 100-240 VAC, 50-60 Hz, energy saving automatic power-down, surge tolerant external adapter
Environmental	Low halogen ⁷
Energy Efficiency Compliance	ENERGY STAR® certified and EPEAT® Gold registered ⁶
Input/Output	Front: 2 USB 2.0; 1 headset Back: 2 USB 2.0; 1 RJ-45; 1 DVI-D; 1 VGA
Dimensions	7.08 x 5.51 x 1.37 in 180 x 140 x 35 mm
Weight	1.63 lb 0.74 kg
Software	HP Device Manager; HP ThinState; HP ThinUpdate; HP Smart Zero Client Services; Microsoft SCCM/EDM Agent; HP Connection Manager; HP Easy Shell ⁸
Protocols	Citrix Receiver; Microsoft RDP; VMware Horizon Client; HP TeemTalk Terminal Emulator; Free RDP (Protocols are dependent on operating system installed)
Browser	Mozilla Firefox 32
Warranty	HP Total Care Warranty and Services offers limited three-year hardware warranty options depending on country. Optional HP Care Packs extend your protection beyond the standard limited warranty. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc . HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product

HP t420 Thin Client

Accessories and services (not included)

HP Integrated Work Center for Desktop Mini and Thin Client

Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client that lets you create a compact desktop solution by combining a display¹ with an HP Desktop Mini, HP Thin Client or HP Chromebox¹ and giving you convenient front access to all of its inputs.

Product number: G1V61AA

Messaging Footnotes

¹ Microsoft Lync for VDI 2013 plug-in recommended with Windows Embedded Standard and Citrix HDX RealTime Optimization Pack for Microsoft Lync is recommended with HP ThinPro and Smart Zero. All Unified Communications solutions are licensed, distributed and supported by Unified Communication providers. Microsoft Lync for VDI distributed by Microsoft Corporation. Citrix HDX RealTime Optimization Pack for Microsoft Lync distributed by Citrix Systems, Inc.

² Each sold separately.

³ Optional feature sold separately or as add-on feature.

⁴ Wireless access point and internet service required. Availability of public wireless access points limited.

⁵ Minimum purchase required. See product QuickSpecs for exact details.

Technical Specifications Footnotes

¹ Multi-core processing available with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance will vary.

² Graphics chipset uses part of the total system memory (RAM) for graphics performance. System memory dedicated to graphics performance is not available for other use by other programs.

³ 802.11 is an optional or add on feature. Use of Wi-Fi module requires Wi-Fi access point and Internet service. Availability of public Wi-Fi access points is limited.

⁴ This product does not include an internal PC speaker. All audio must be produced using peripheral devices, i.e. headsets, headphones, speakers, connected to the system through the 3.5 mm headset jack.

⁵ Optional or add-on feature

⁶ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

⁷ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

⁸ HP ThinUpdate available as an add-on only for configurations using Windows Embedded operating systems.
